Back to Online Learning

Students from grades K-9 will once again be learning on-line. Because Friday, May 7 is a PD Day, on-line learning will begin Monday, May 10. Students are expected to return to school on Tuesday, May 25.

Staff is currently creating their programs and will continue to do so on Friday. Details regarding elementary on-line learning is continuing to be ironed out and will be shared with parents as soon as possible.

The school will make devices available for students in grades 3-6.

Annual Board Surveys

The Annual Board Survey is currently on. All parents have been sent links to the survey, and can complete one survey per child if they wish. Deadline is Saturday, May 8.

Most of the questions match the charter outcomes and will be used to help finalize this year's Education Plan. The plan will be presented to the Board and approved at the May meeting.
