

Principal's Report To School Council

November 3, 2021
7:00 p.m.

Ted Zarowny
Principal
New Horizons School

Junior High Life Getting Back to Normal

Junior high life is slowly getting back to normal:

- A variety of options are now available
- Students get to move to different classes.
- Friends can be with friends at recess.
- Students can leave school grounds during lunch (with parental consent)
- Intramurals have begun.
- School team sports have begun - go Nighthawks!

At-Risk Students (Reading & Numeracy) Support

Alberta Education announced a Learning Loss Grant last spring to support at-risk students in the areas of numeracy and reading in grades 1-3. The grant is targeted to support learning loss due to COVID in the area of numeracy and reading.

This fall, we used the Canadian Achievement Test 4 (CAT4) to assess students and identified some as at-risk in numeracy and reading.

We will be contacting parents and begin intensive interventions when intervention delivery plans have been finalized.

Winter Concert

We are looking at how we can get students to safely perform some of the songs and acts they have been working on during music and drama classes.

The most likely scenario if we move forward is livestreaming. More to come!
