The School Council of the New Horizons Charter School respectfully acknowledges that the land on which we meet is Treaty 6 territory, a traditional home, gathering place, and a travelling route for diverse Indigenous Peoples, including Cree, Saulteaux, Blackfoot, Nakota, Sioux, as well as the homeland of the Metis Nation. We recognize our responsibility as Treaty members and honour the heritage and gifts of the First Peoples of this land.

5. Reports

5.1 Chair/Vice-Chair/Secretary Report

The Halloween Family Dance is one of the largest events that School Council and FANHS hosts in collaboration with one another. It is the largest annual fundraising event. On behalf of all involved, we extend our heartfelt gratitude to everyone who supported this event in various ways and thank you for your generous contributions to our online auction, silent auction, raffle, and 50/50. A huge thank you to our parent volunteers for your unwavering dedication and hard work before, during, and after the event. To the NHS staff who chose to spend their evening with us, we appreciate your attendance. To all involved, your commitment and enthusiasm were instrumental in making the event a success!

5.2 Principal's Report

See attached.

5.3 Financial Officer's Report

By unanimous consent, as per the agreed upon School Council Fund Allocation, each teacher has been allocated a budget of \$6 per student (plus \$300 each for Music and French) from Classroom Support — Classroom Incentives and this funding cannot be exchanged with

another teacher. As determined at the end of the 2022/2023 academic year, staff funding requests will be directed to Ms. Vigfusson who will then determine if the request best suits the school's budget or School Council's budget.

5.4 FANHS Report

FANHS has had a successful start to the 2023/2024 academic year. A more comprehensive report will be provided in the FANHS meeting; however, we appreciate the collaboration with School Council on the Halloween Dance which was largely profitable. We'll launch our Holiday Campaign this evening to close out 2023.

5.5 Communication Officer's Report

With the success of our weekly newsletter — and the time required — we'll be soliciting additional support for our social media management. Our Communications team has been supporting Administration and vice versa. The general school communication efforts have amplified with Ms. Watson making adjustments to the school's website to make it more user friendly with the addition of a search bar and frequent additions to the school's blog and NHS Facebook page.

5.6 Committee Reports

5.6 (A) Halloween Dance

Date: October 28, 2023

This event was largely successful. While we've mostly received praise (appreciation of the online auction to include those not in attendance as well as the addition of the calm space in the Learning Commons), there is still some room for improvement as we look to next year's event (more engagement of Jr. High students — while a spooky hallway was suggested during planning and it was determined there was little interest, there seems to be more interest in a casual hang out space in Ms. LB's classroom).

5.6 (B) Spring Carnival

Date: May 25, 2024

Planning discussions for this event will take place later in the academic year; however, there was a discussion around structure and volunteer requirements. While the Halloween Family Dance required support from volunteers, due to the vastness of the outdoor Carnival event and the logistics including safety and liability for things like bouncers (due to insurance, volunteers for this must be 18+), many more volunteers are required for the Spring Carnival to successfully operate. In order to ensure that only NHS families are in attendance, by unanimous consent, wristbands would remain. If we didn't have volunteers, this event would either not be able to run or staffing would be required; therefore, potentially increasing the cost. Considerations and discussions to take place in early 2024 regarding sign ups, paid admission, direct fundraising goals if appropriate. Last year, it was determined that the impetus behind admissions for this event was to essentially reward those who would commit to a 45 minute volunteer shift with free admission (otherwise, \$20/family).

5.6 (C) Grant Writing

Denette Leask is presently working on the **MusiCounts Band Aid Program** Grant with Mrs. Zelada. The MusiCounts Band Aid Program provides under-resourced schools with grants of up to \$20,000 worth of musical instruments, equipment, and resources.

Other considerations:

- In Motion Network- Go Girl program to support adolescence girl sport. Application deadline December 1, 2023. Grant funding up to \$2500 for a one day event.
- In Motion Network, Girls in Motion program to support girls age 6-17 in sport. Application deadline December 1, 2023. Grant funding up to \$2500 for a one day event.

5.6 (D) Book Club

Date: Ongoing

Our inaugural Book Club meeting with the incomparable Dr. Jody Carrington was a night filled with laughs and thoughtful conversations. *Feeling Seen* examines how and why humans are so disconnected right now — and, in the last year, School Council has worked with the goal of building community and connection within our NHS community; therefore, we felt this would be an appropriate first book. Dr. Carrington joined us virtually for one hour. Takeaways were provided in the SC/FANHS Oct. 24 Weekly Update.

Dr. Farha Shariff is a teacher educator — including a consultant at NHS — and advisor to the Office of the Dean (U of A) on equity, diversity and inclusivity (EDI) and racial justice in the Faculty of Education. Sarah Adomako-Ansah is an Alberta teacher, co-founder of the Black Teachers Association of Alberta, was the 2021–2023 Educator in Residence at Canadian Museum for Human Rights (CMHR), and is now an Equity, Diversity, Inclusion, and Anti-Racism (EDIAR) Consultant at ECSD. Book Club would like to invite these two educators to participate in a Book Club event in early 2024.

5.7 (E) Parent Link

Date: Ongoing

Unlike a community school where families are often seen within the neighbourhood, the geographically dispersed nature of our families can create challenges for potential engagement outside of school hours; therefore, we have to work a little differently to build community and connection opportunities. In the interest of nurturing their relationships amongst grade-mates and fostering a sense of community amongst our families, last year's Grade 1 families developed a WhatsApp group message to stay connected. This form of parent-led communication has helped to support the now Grade 2 village. We've had opportunities to organize spontaneous gatherings, communicate about school events or homework queries, and we've received positive feedback from our new families.

Having spoken with families in other grades, we've learned that the inclusive nature of this grade-wide parent-led communication is perhaps unique to Grade 2. We've since learned that the current Grade 1 year has a group message with some families and are slowly adding more participants — both Kindergarten classes had their own communications last year and they have since been working to blend their communication for the full Grade 1 group. Grade 5 has recently started this communication initiative and it is our understanding that at least one of the Kindergarten classes also has a group message.

The logistics will be reviewed with Ms. Vigfusson who is keen to encourage the Parent Link and consult with teachers for how a classroom parent contact may be a positive resource and support. Details to come.

6. Motion to Accept Reports

MOTION: Sarah-Jane Lovgren moved to accept reports as presented. Seconded by Julie Jackson. Motion Carried.

7. New Business

7.1 Funding Requests

• \$56.86 From School Support – Academic Support for AMA Patrol.

MOTION: Sarah-Jane Lovgren moved to approve the funds disbursement as presented. Seconded by Anita Sanderson. Motion Carried.

• FANHS has offered to take expenses for the Halloween Dance (DJ Kwake Entertainment Group, glow sticks, minimal décor expenses totalling \$831.23) from the total revenue;

therefore, eliminating the funding requirement from School Council's annual budget.

\$243.83 From School Support – Academic Support for the Makerspace.

MOTION: Anita Sanderson moved to approve the funds disbursement as presented. Seconded by Sarah-Jane Lovgren. Motion Carried.

7.2 Staff Report

7.2 (A) Funding Requests

Nothing at this time.

7.2 (B) School Update

Staff appreciated the opportunity to attend the 2023 TAAPCS Conference in Calgary featuring a Keynote speaker and three Concurrent Sessions — some opportunities were held in person, while others were offered virtually. This Conference provided an opportunity to network with other Charter Schools from throughout the province.

The next TAAPCS Conference will be held in Edmonton in 2025. There is interest in co-hosting with another Charter School in the area.

Teachers have completed IPPs and are now moving on to report cards which are scheduled to go home on December 1, 2023.

7.3 Future School Event Planning and SC Outreach

7.3 (A) Fall Planning

Family Movie Night

November 25, 2023.

The RSVP link has gone out in this week's newsletter and we have already received RSVPs. This is a free event; however, RSVPs are required to ensure proper planning for the concession, as well as consider maximum capacity of the gym. The planning team will review options for the concession including drinks, hot dogs, and popcorn.

Book Club: Book Swap

Book Swap in January/February 2024. Details to come.

Family Math & Literacy Game Night with Box Cars & One-Eyed Jacks

· Nothing to report.

7.3 (B) Field Trip Opportunities

Telus World of Science new feature exhibit: Mazes & Brain Games

Nothing to report.

Winspear Centre

 The Francis Winspear Centre for Music offers a variety of field trip opportunities. These will be reviewed as a consideration to enhance our music programming.

7.4 Parent Perspectives

7.4 (A) Grade 9 Adventure Trip

There is some parent concern regarding the location of this year's Adventure Trip — Birch Bay Ranch located within Strathcona County — whereas last year's class went to Jasper and prior to the pandemic there were other interesting locations that were at a greater distance. Has this location been selected due to the large class size of the Grade 9 group? What is the likelihood of considering other options?

Response: In order to receive discounts for group bookings, the Jr. High planning team must select and reserve the trip well in advance; however, this also means that once a booking has been made, they cannot receive refunds for deposits. The planning team makes its best attempts to make the trip as affordable as possible and when there is lack of participation, it can become cost prohibitive for some families. In the past, there have been circumstances where families would commit to the trip and then cancel resulting in the school carrying the cost which is not an effective use of the school's budget. Last year's trip to Jasper was met with challenges surrounding safety concerns due to forest fires; therefore, the team opted for something closer with budget, safety, and the potential to offer more activities in mind. Parent support would be appreciated for the overall planning of this event.

8. Future Business

Provincial Achievement Tests:

Provincial Achievement Tests (PATs) for grades 6 and 9 will be completed through Alberta Education's new platform Vretta this year. Teachers have been given accounts to help familiarize students with the platform and tools available for testing. They will have opportunities to complete practice PATs throughout the year in preparation for the exams in the spring.
