**Re: Invitation to attend New Horizons School 2024 Stakeholder Forum**

Date: January 17, 2024

Dear Students, Staff, Parents and NHS Society Members,

On behalf of the Board of Directors, I am pleased to invite you to participate in our school's eighth annual Stakeholder Forum, held at 6:30 p.m. on **Tuesday, February 6, 2024**. The forum will be held at the school. The Stakeholder Forum is an essential opportunity for you to share your views on how our school can continue to grow, develop, and improve. In addition, you will have the opportunity to hear and discuss ideas brought forward by other parents, students, and school staff members. It is an essential element in our school's planning process as it contributes significantly to the development of our Education Plan, which establishes our school's direction and priorities.

This year's Stakeholder Forum will focus on two discussion topics:

1. Accountability means being responsible for yourself, your intentions, words, and actions. It means entering a space with good intentions but understanding that aligning your intent with action is the test of commitment. How do accountability and civil discourse align/impact/tie in with conflict resolution?
2. Visioning for the growth and expansion of future programming and facilities of New Horizons School begins with stakeholder discussions about what qualities we want our students to possess after twelve years of education. Our goal is to become a K-12 school for gifted learners. Gifted Students become the artists, scientists, thinkers, tradespeople, innovators, and leaders of the future. They will be tasked with solving today's problems while imagining and creating a new tomorrow. What qualities should New Horizons Charter School graduates possess upon completing their high school program?

Both questions will culminate with group breakout group discussions and individuals prioritizing the top picks. This information will then be used to support school planning and reporting. Please [click here to RSVP](#).

We look forward to your attendance and participation.

Sincerely,

A handwritten signature in black ink that reads "Terry Moghrabi".
